Step 1.

Cut a 15cm x 15cm square of paper.

Step 2.

Use the pencil and ruler to draw two diagonal lines, corner-to-corner, that cross at the square's center. Mark the centre point.

Step 3.

Mark the half way to the centre point across each diaganol line.

Step 4.

Cut on the diagonal line from each corner up to the marked point.

Step 5.

Curl each point toward the center and secure with pin.
Don't fold!
Secure with pin.

Step 6.

Holding the pencil on a flat surface with one hand, push the pin into the side of the eraser.
